

WE BELIEVE

-  a quality education is every person's human right
-  education is a cornerstone of individual actualization, civic health and economic growth
-  principals and teachers are key to learning
-  raising the quality of education requires changing the mindset and practices of educators
-  high performing educators have a valuable and difficult vocation and deserve to be treated with great respect

OUR MISSION

Educando exists to transform the education of Latin American youth through world-class training and ongoing support to teachers and principals from public schools, creating systemic change in education while equipping young people for improved professional career opportunities, leading to a brighter and more prosperous future.

OUR VISION

Educando's vision is for every child in Latin America to benefit from exceptional educators who inspire them to learn the skills necessary for dignified work and life. We believe that quality education has the power to transform lives, build vibrant communities, and strengthen societies.

OUR PROGRAMS

Educando works in partnership with state governments and private companies to achieve scale, sustainability and long-term impact of its three leadership programs for public schools.

IAPE | MEXICO

IAPE (Inter-American Partnership for Education) is a partnership between Dartmouth College's Rassias Center and Educando that trains, supports, and empowers English teachers. It utilizes the Rassias Method®, that encourages communication by breaking down fear and inhibition.

LISTO | MEXICO

LISTO trains and supports principals in instructional, transformational, and organizational leadership. Through a combination of workshops and coaching, its goal is to foster leaders who create effective learning environments that involve teachers, parents, and the community in improving learning outcomes.

STEM | BRASIL STEM | MEXICO

STEM Brasil and STEM México offer top-quality training and support to Science and Math teachers in middle and high schools. STEM is a hands-on, comprehensive teacher training program that synthesizes the official Brazilian and Mexican curricula with innovation, technology, creativity, practical projects and local context.

IMPACT IN MEXICO AND BRAZIL

In 2018, Educando completed 15 years serving the educational system in Mexico and Brazil. Watch the video above about our impact in these last 15 years!
